The purpose of the Superkarts! USA Licensing Program is to provide a standardized ladder of driver development within the organization. The following document details each license level, its requirements and the classes that are eligible to the holder of each respective license.

A

A LICENSE

The A License is reserved for SKUSA's most accomplished drivers. This license is required for any driver wishing to compete in the S1 category, although drivers not running in S1 may still apply. Competitors will be required to complete an application form that will include an area where the driver will present results, performance highlights and a career overview, which the SKUSA staff will use to determine license eligibility. Only drivers with an A license are permitted in S1.

Required for: S1 and SuperPro/KZ2

B

B LICENSE

The B License is the primary license for all experienced adult drivers in Superkarts! USA. To be eligible for a B license, one must have at least two years of prior experience in the sport and competitors new to SKUSA must complete an application form detailing past experience.

Required for: S2, S4, TaG Senior, G1, and TaG Masters

C

C LICENSE

The C license is presented to anyone new to karting within the Superkarts! USA community. For drivers who are new to shifterkart competition, this license will make them eligible for the S3 (Novice Stock Moto) category. Should they wish to advance to the S2 (Amateur Stock Moto) or S4 (Master Stock Moto) classes, they will need to show proficiency on the racetrack and then apply for an upgrade to a B license.

Required for: Novice drivers in S3, S4, TaG Senior, G1, and TaG Masters

D

D LICENSE

All Junior drivers will receive a D License when joining SKUSA. Any Junior driver wishing to graduate into a Senior class (Stock Moto or TaG Senior) will be automatically given a C License, which will make them eligible for S3 (Novice Spec Moto) or TaG Senior. Should a driver wish to graduate into the S2, they will need to apply for a B License.

Required for: S5, TaG Junior, and TaG Cadet
